## Project: "Operation Overnight"

When a loved one is ill or injured, the last thing a concerned family member needs to worry about is finding an affordable place to stay.

During the interim period that the Beacon House and Hospitality Rooms are closed, and the new Steve Mariucci Family Beacon House opens, we are here to help you find the most affordable place to stay, when your home is too far away.

*Thank you to Travel Marquette for helping Beacon House coordinate safe, affordable lodging for medical patients and families traveling to Marquette for critical medical care.*

Beacon House staff has opened a temporary office in the Peninsula Medical Center to assist patients and families with lodging needs.

**Phone: 906-225-7100**

**Monday- Friday from 9 am to 5 pm**

Our staff is available to meet with families at the hospital or at the Peninsula Medical Center with advance notice to provide lodging assistance

Our temporary program is designed to help facilitate safe, affordable lodging in the community for patients and families from out of the area with a medical emergency, until our new Steve Mariucci Family Beacon House opens next to the new hospital.

Upper Peninsula Health Plan (UPHP) members may qualify for transportation and lodging assistance. Please check with UPHP 5-7 days in advance of your medical appointment. 906-225-7085

Non-UPHP members may qualify for assistance with Department of Health Services (DHS). Please check with your DHS office in your county.
